Discussion

1. The meeting started at 12.15PM WAT with opening remarks by the PI in person of Prof. Oluwatope.

2. Prof Oluwatope sought for the opinion of the house on the possibility of meeting up with the deadline of publication through Africomm 2022. He stated, we only have 2weeks to meet up with submitting our paper for Africomm 2022

3. Prof Awoyelu and Mrs Ify pointed out the need for analytical or empirical results on ground which means Research Paper journal will not be feasible. Except will go for Review Paper.

4. Dr Ogunyemi, stated, we are yet to standardize our desk review, the document he was given to peruse looked more narrative. He added, there's need for proper collation of reviewed study in the past, Past high level analysis, which will really show the synthesis of this study. He continued, there's need to acknowledge the fact that there's funding for the study and we cannot but do less than quality review such that others having like challenges can learn from. Importantly, trends , issues, base on synthesis and analysis. There's also need to be creative in our Conceptualization for example, We can do some mapping in our digital technology such that can inspire new thought.

5. Prof Bakare also added, we have possibility of Review Paper/ Article.

She encourage the need for researchers in the group to assiduously come together and fine-tune the desk review. She stated, there's need for sequential flow of information and need to hit target areas, need to have direction of drive.

Intellectual flow is imperative

6. Prof Oluwatope concluded both contributions from Prof Bakare and Dr Ogunyemi

There's need to do a repackaging by the researchers, he admonished us to re-strategize so that we can meet up with the submission date.

Prof Oluwatope also added, there's need to reset our date seeing we are behind schedule. We should fix a date for our field work. Timeframe is important. August 15,2022 was fixed for pretest.

7. Dr Ogunyemi

Prof Bakare and Dr Diyaolu were nominated for personnel costing deliberation. Also costing for pretest and the main study.

8. Aspects of the questionnaires that still need additional review and highlighted were properly put in shape.

9. Mr Achukwu volunteer to format the instrument after Prof Awoyelu finalizes the editing.

5. In the absence of any other discussion, Prof. Oluwatope thanked every member for their attendance and meaningful contributions. The motion for the adjournment of the meeting was moved by Prof. Awoyelu and seconded by Dr Ogunyemi

6. The meeting was brought to an end at 2.10 PM WAT.
