Discussion

1. The meeting started at exactly 11:10 AM WAT with opening remarks from the principal investigator, Prof. A. Oluwatope.
2. The research instrument was reviewed by members and suggestions were made to further improve the document.
3. Dr. Ogunyemi proposed a section in the research instrument for the definition of terms that might seem difficult for respondents to understand. The suggestion was welcomed by the members.

4. Mrs. Ugwu suggested the inclusion of an age range in the age collection section of the research instrument.
5. Mr. Achukwu requested an explanation on why logistics, input, and supply are grouped together in the research instrument. There was a deliberation among group members on this and a consensus was reached to separate the terms.
6. Dr. Ogunyemi suggested that a pilot study be conducted along with the instrument design to check the understanding and views of respondents towards the research instrument and the project at large.
7. Group members agreed on 18 years old as the minimum age for respondents of the textile merchant research instrument.
8. Dr. Ogunyemi inquired about the proposed method for analysis of collected data. Dr. Diyaolu suggested the use of mean and frequency distribution techniques.
9. A motion for adjournment of the meeting was moved by Prof. Awoyelu and seconded by Dr. Ogunyemi.
10. The meeting was brought to an end around 1:10 PM. WAT.
